Jeremy-

I sure will miss you! Its really hard saying good bye to such a sweet and crazy guy like you. This year's been just great, esp. with varsity football - you guys did just great - (CIF Champs at the Anaheim Stadium, beating Esperanza 11-0 whoo ya!) I never could've made it through Colonel Frost's class without you always singing different new wave/punk songs (Plasmatics, Buzz cocks, etc...) during films. Remember the Knack Concert - that was really good! I hope to see you for sure this summer ok - call me sometime. Good luck in everything you do & take care, Love always,

Ing. :) "81" rules!

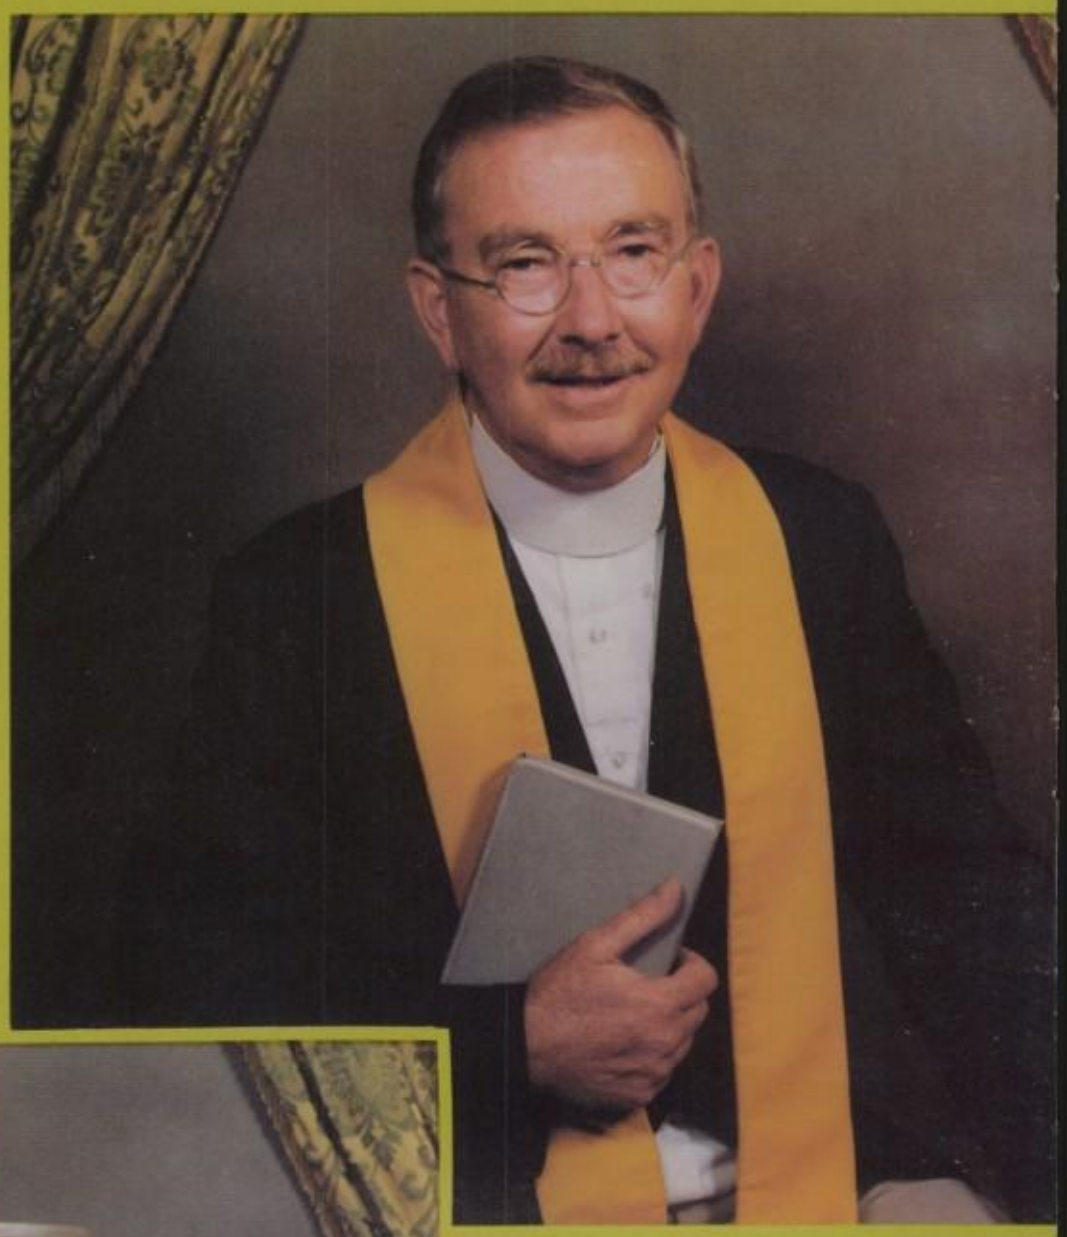
A Cowboy's Work Is Never Done
A Special Thank You To ..... Al Kiesselbach



Ask anyone at school who they'd turn to with a problem and we're sure they'll answer "Mr. K." Al Kiesselbach, "Mr. K," is almost everyone's favorite counselor. Always ready with a listening ear and a sympathetic smile, Mr. K is someone you can talk to.

Mr. K has been with us here at Capo since we started four years ago. A true Cougar, Mr. Kiesselbach is a great example of the spirit of the Black and Gold—keep trying and everything will work out, says Mr. Kiesselbach.

So we want to thank you Mr. K, not just the yearbook staff, but everyone at Capo Valley. From all the Cougars—Thanks a million!

CLASS OF 1981

SENIOR CLASS OFFICERS

This year's Seniors are the first to pass through Capo's doors as **True Cougars.** As the first four-year students of CVHS, the Seniors have always been great examples of Cougar pride. This year's Senior cabinet, like those before them, planned year-end Senior festivities such as picnics, Grad night, and the Senior Luncheon, a new twist on the traditional Senior Breakfast theme. Officers this year worked hard to make these activities a smashing success. Officers, clockwise, are: Ingrid Riedl, Representative; Keith Mendoza, Vice President; Christy Willich, President; Debbie Strano, Secretary; Hilary Sykes, Treasurer; Debbie Matossian, Representative.

Esperanza Is Outfoxed by Capistrano Valley

By LEE MILLER, *Times Staff Writer*

Capistrano Valley High School came up with the big play when it had to Saturday night as the Cougars won their first CIF Central Conference football championship, upsetting previously unbeaten Esperanza, at Anaheim Stadium, 11-0.

Coach Dick Enright's Cougars (12-2) went into the title game as the third place team from the South Coast League and decided underdogs to the Aztecs, winners of 19 straight games who averaged 41 points per game in the playoffs.

COUGARS GO ALL THE WAY!!

We're #1

For Capistrano Valley High School, the 1980-81 year will always be remembered as the year we won our first CIF championship. Coach Dick Enright led the Cougars to the first place spot as the right coach for the right team. The Cougars shut out the Esperanza Aztecs in the "Big A" to grab the championship on December 12, in an early evening (5:00 p.m.) game.

The dynamic team, after a sorry lag in the middle of the season, refused to fold in the face of adversity and went on to play some of the toughest teams in Southern California during conference action.

"The team played better against the etter teams," said Coach Dick Enright, eaming with pride in his boys. He was erhaps most proud of the fact that the eam was able to pull of their strong wins uring the conference after the mid-sea- on lag.

Enright, who coached and played for eams such as USC, the University of Or- gon, and the Los Angeles Rams, came to apo when it opened as an assistant coach nd was named head coach just this year. Ie led the seasoned team to victory and is roud of their total effort. Though the ntire team was responsible for the CIF ictory, the game rode on the shoulders of ric Fox, who emerged as a star player this eason. Fox, the leading scorer on all CIF vels, ran 76 yards for a touchdown from ne first scrimage.

Capo thanks their super team and wish- s all the members luck in football, and in ne future.

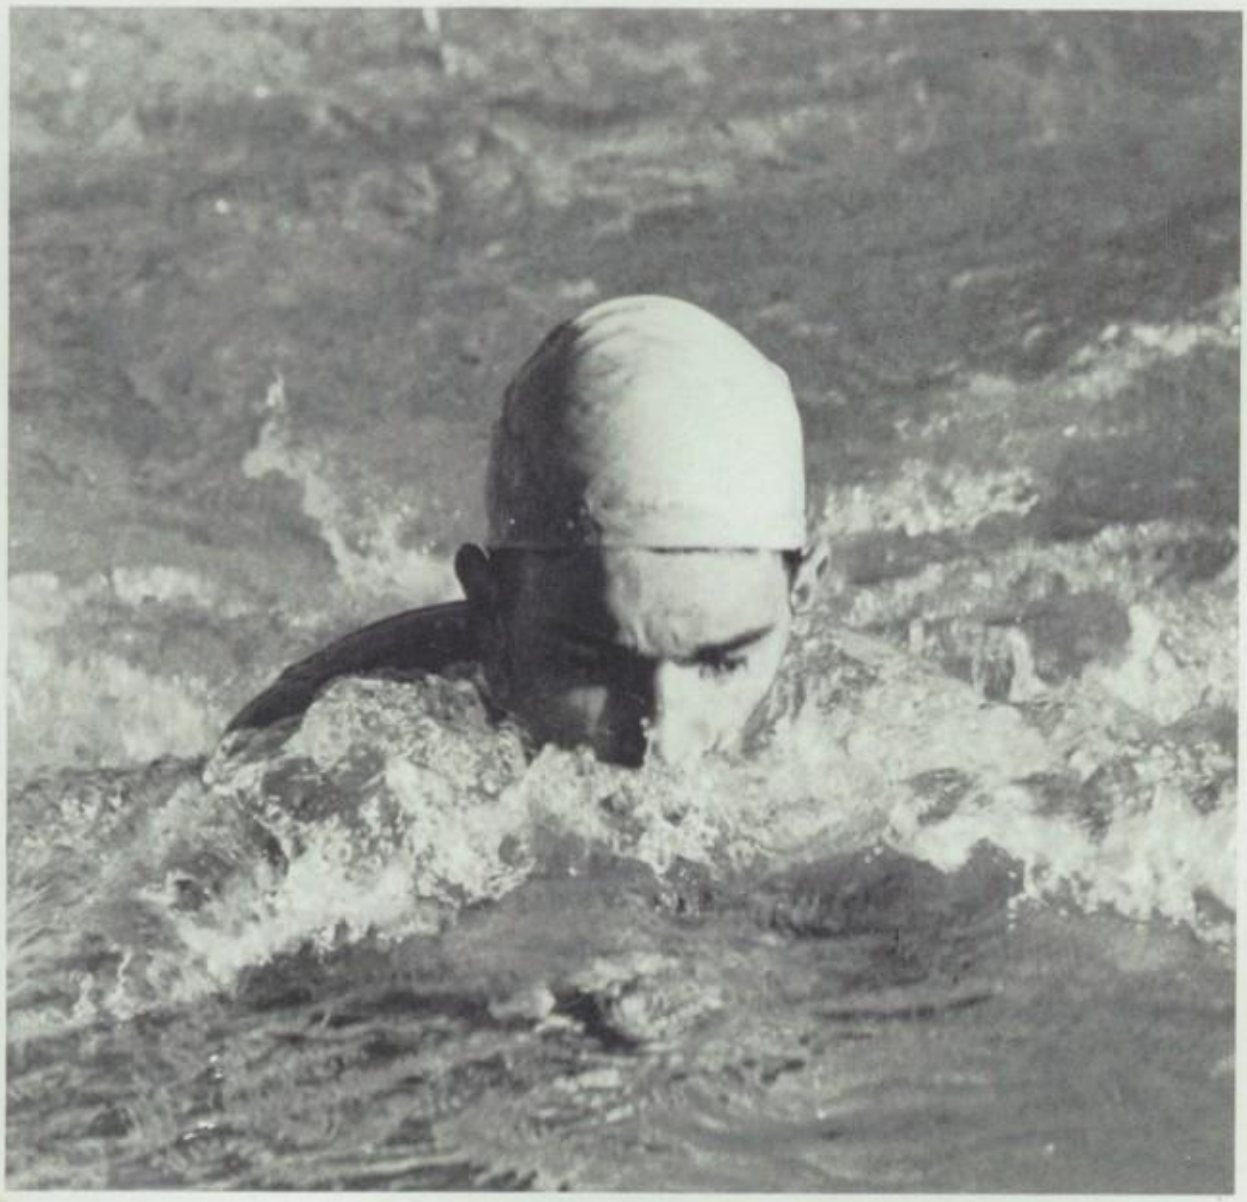
Swimming



Coming off its 4th place finish in CIF-4A Championships, the Cougar Swim team was lead by a strong eight man senior force Patrick "Joe" O'Brien, All-American in two sports, returned to CIF in his specialties, the 200m and 500m freestyles. Last year Joe made his strongest showing in CIF with a 7th place finish and 20th nationally. Two other seniors, Tim O'Brien and Mark Maldonado were anticipating this year's Crown after their successes last year. Rounding out the leadership of the remaining Cougar "veterans" will be: Eric Brillhart, Johnny Grout, Chris Schaller, Matt Scoggin, and Frank Servas. These strengths and the enthusiasm of the team's spirit will help the team to their goal of topping "cross-town" rivals.

"Chained For A Day"

Slave Day was a part of the Sadie Hawkins Week festivities. It all began with an auction held at lunch. The money collected was put in the A.S.B. treasury and owners of the "slaves for a day" were allowed to have their slaves do anything not against the school's regular rules. Slave day is part of the tradition of Sadie Hawkins here at CVHS, and this year the event proved to be just as exciting as other years. Just take a look at the pictures!

Jeremy,
Let's

you this school would

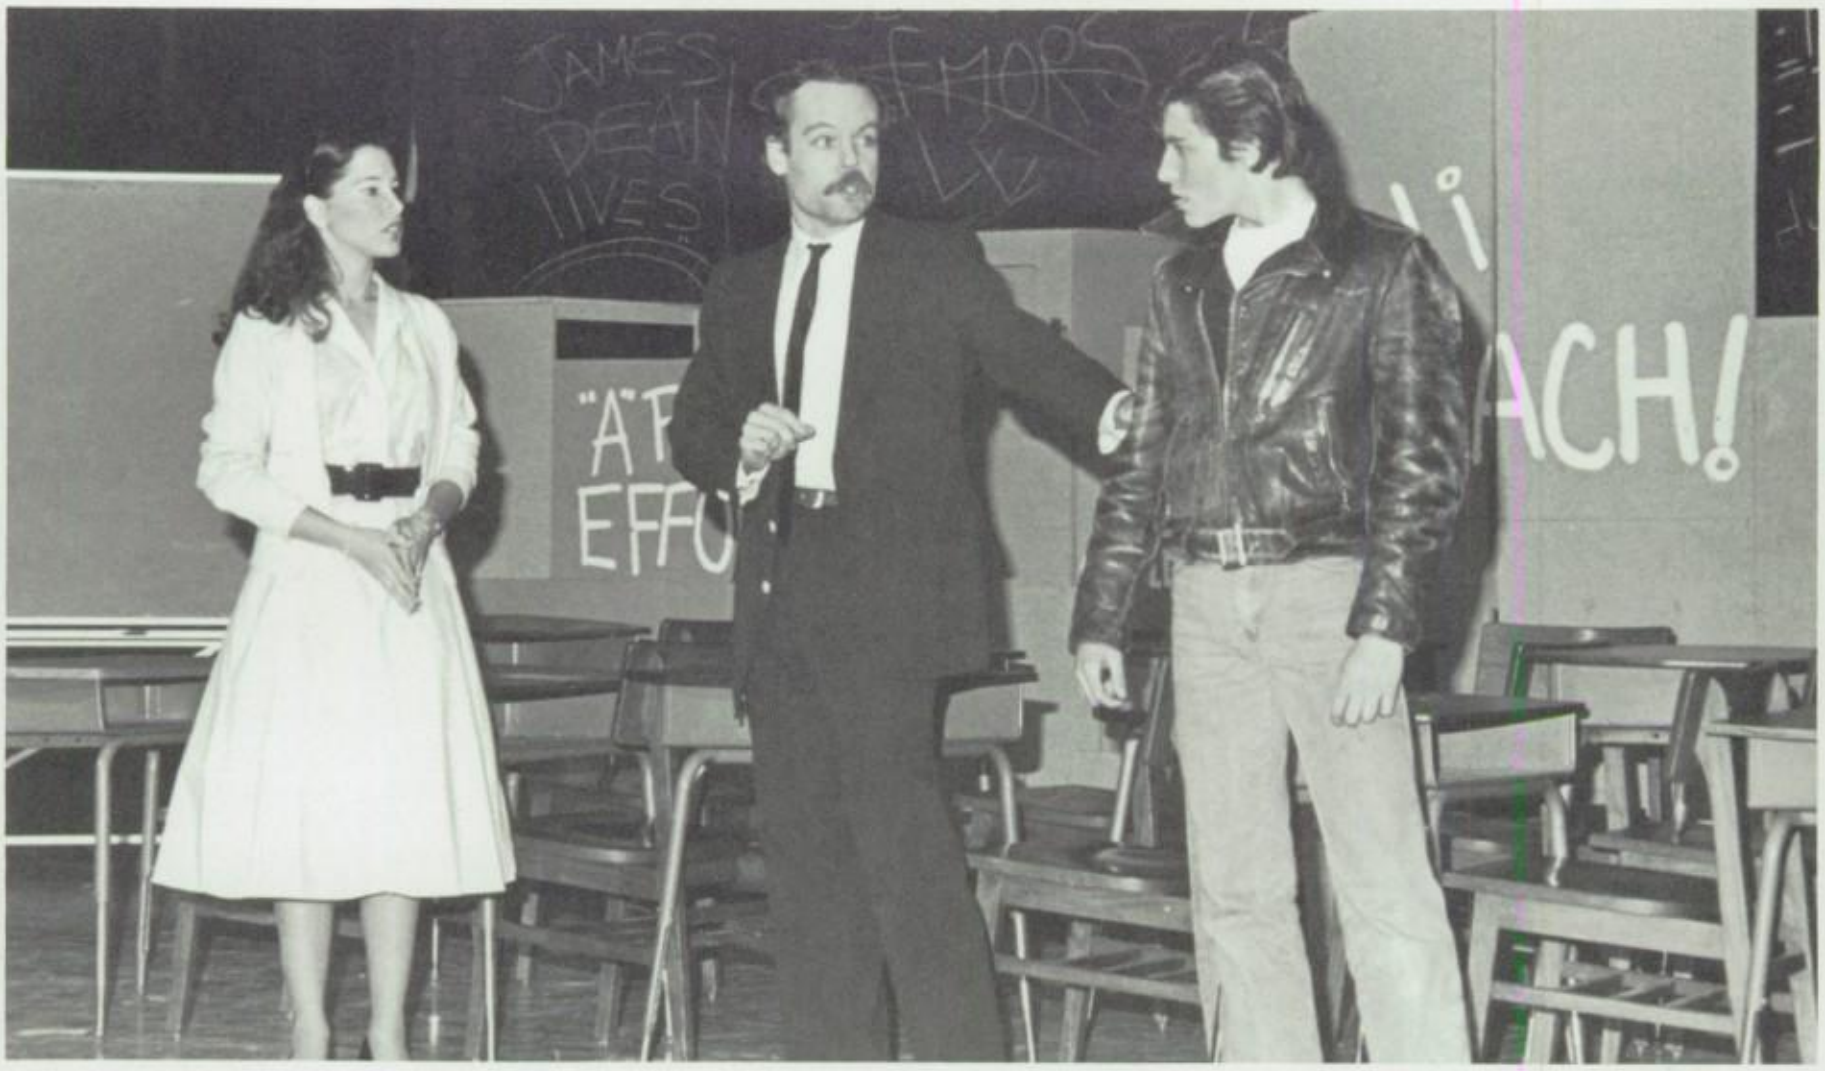
Drama - Winter Production

Up the Down

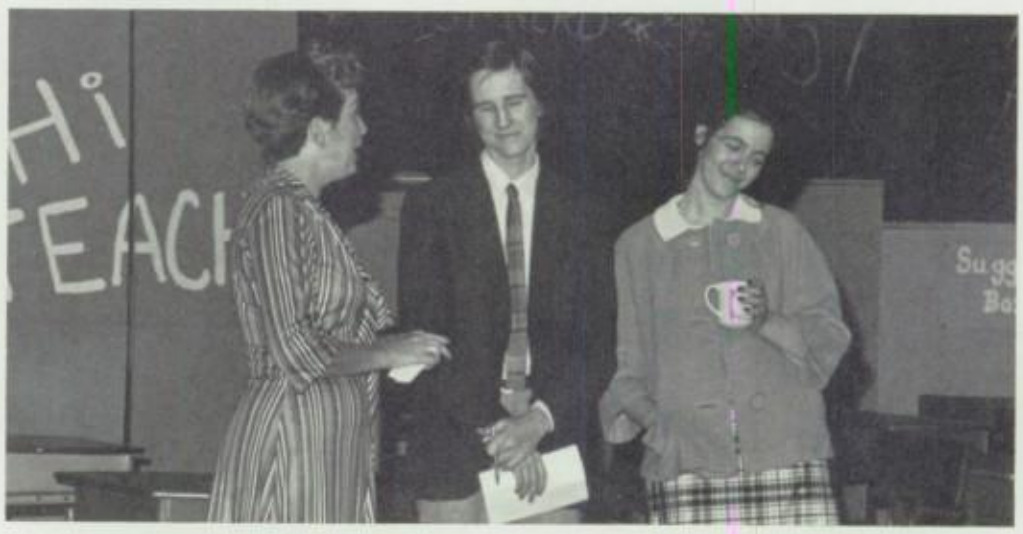
Up the Down Staircase was the first production directed by Ms. Mallett, Capo's new drama teacher was a smash hit. The cast included teachers and faculty members as well as students. Among the faculty participants were: Mr. Bill Hoffman, Mr. Brian Manning, Ms. Janet Jensen, Mrs. Wilma Johnson, Mrs. Marian Vertrees, Mr. Carl Babb, Ms. Cathy Rehn, and Mr. Jay McIlwee. Student participants were as enthusiastic as ever and they included Lisa Mendez, Erin Krause, Sage Osterfeld, Alice Fritts, Andrea Carter and Mike Meng in featured and leading roles and Adam Shapiro, Jennifer Morgan, Greg Azua, Trish Grose, Scott Krause, Monica Flannery, Todd Stubbler, Bryant Cook, Katherina Artucovich, Karen Novorr, Donna Franklin, Deena Driskill, Alison McKeever, Gini Cox.



The Staircase

The enthusiastic participation of both faculty and students made **Up the Down Staircase** an undisputed hit with the sellout crowds (the first in Capo's history) that came to watch. Director-/Drama Instructor Ms. Rosemary Mallett worked well with her cast and produced a funny and heart-warming show. The show told the story of a first year teacher, Sylvia Barrett, played by Lisa Mendez, and her experiences during her first semester at a very rough school. Sylvia is helped by her friend Ellen, played by Alice Fritts, the teacher across the hall, Paul Barringer, played by Sage Osterfeld, and the teacher upstairs, Bea "Mom" Schacter, played by Erin Krause. The challenges Sylvia faces include a love-sick girl, Alice Blake, played by Andrea Carter, and a juvenile delinquent, Joe Ferone, played by Mike Meng.

The show ran December 10, 11, 12, and 13. Curtains went up at 8:00 pm each evening on stage in the mall. Crowds got to watch favorite teachers and friends ham it up. Great Show!



Spring Production

The year's second drama production, **The Effect of Gamma Rays on Man In the Moon Marigolds,** began rehearsals in March for their April 29th production date. Here, the group rehearses on a typical Monday afternoon in their slightly ragged rehearsal clothes. At this time, they were still six weeks from production. Present are Erin Krause, who plays the mother Beatrice, Andrea Carter who plays Tillie, the young idealistic daughter and Deena Driskill, the older daughter.

Ms. Rosemary Mallett is seen directing the cast. The play was produced April 29, 30, May 1, and 2.

Pat Levens, acting Activities Cluster Leader led the ASB in the first half of the first semester and was later replaced by Mr. Bill Hoffman, and freed to return to the Environmental Skills Cluster and his AP classes.

This year's ASB, headed by Todd Schniederman, ASB President, had a very productive and satisfying year. Though they did not have a hand in solving our conflict with Iran, they also can not he held responsible for the "misery index" of the nation. The ASB left politics to the politicains and planned activities like dances, football games, and dress-up days for the student body. Their first major project, Homecoming was a smashing success and Todd looked right at home in his snazzy white tie and tails. Mr. Hoffman took up the reins of ASB towards the second of the semester and had even more fun and success.

Paw Prints may sound tame but ... This year the paper has made a real effort to cover not only Capo news but national events and controversy. They've used everything from "Who shot J.R.?" to the condition of the school library. CSF (California Scholarship Federation) is a club dedicated to the promotion of scholastic excellence. This may make the club sound like a really boring session with "brain-os" but don't be fooled! CSF is a club that has fun. CSF is involved every year with annual parties at Christmas and at the end of the year, as well as the annual CSF Disneyland night every February. The club also sponsors the Eruditathon: Battle of the Brains every spring and awards trophies and plaques to the winners.

All you need to be in CSF is three A's in academic subjects. The club has fun all year 'round that includes field trips to Southern California colleges and universities.

Key club also helps to better relations with other schools by participating in Key Club exchange program. This year's president was Danny Dibble and Key Club advisor was Mr. Ken Sayles.

THESPIAN SOCIETY

This is the second year for the Thespian Society here at CV. It works with the Drama Club to produce each season's plays. This year's first production was **Up the Down Staircase** and it included all the members of the Society. DRAMA CLUB

The Drama Club is under the direction of Miss Rosemary Mallett, the drama teacher. This is Mallett's first year at Capo. Before coming to CV, Miss Mallett taught at the nearby Niguel Hills Jr. High. Members of the Drama Club use it as a stepping-stone to the Thespian Society. Club members earn the points they need to be Thespians by appearing in school productions. Members of the club also participate in inter-scholastic competitions and festivals. Club members are not only actors. Many in the club are expert technicians and can participate in productions this way and earn Thespian points. Also, many members are in drama classes and are perfecting their talents. Good Show Gang!

DANCE PRODUCTION

Dance Production provides a stage for choreographers and dancers here at CV. Advisor Sharon Kelly supervises the three month rehearsal period and, under her guidance, the dancers are free to express themselves creatively. All dance styles are presented, from ultra-modern to jazz from classical ballet to interpretive solos. The girls work hard to produce a show each season (winter and spring). Each year, there are also the post-show competitions and invitational dance shows that the dancers appear in. So, here's to a fine company of dancers: KEEP DANCIN' GIRLS!

MARY KAY DARGAN

"Now that I look back on my life, I think I always wanted to be a teacher," says Mary Kay Dargan, Capo's teacher of the year for 1980-81. Mrs. Dargan, who teaches english here at CVHS, started college with a major in music but switched to English, her "other love" when she lost interest in music theory. "Off and on I have worked at other jobs " she says, "but none have given me the satisfaction teaching has." Mrs. Dargan prides herself on her successful combination of family and career. Her four sons are athletic as well as intelligent; her eldest son is in his final year USC law school and her youngest, Dan, is a junior here at Capo. This year, Mrs. Dargan is teaching sophomore English, Advanced Comp. and A.P. English Seminar. Mrs. Dargan says that she enjoys "certain classes because of certain conditions ... There is a special chemistry that goes on between the students and myself." Perhaps the only problem that Dargan can find with teaching is the need for discipline: "if I have to discipline a great deal in a class, I find I enjoy it less." Thanks, Mrs. Dargan! We hope you enjoy many more years at CV.

Jeremy,
I'm real glad that I met you this year. It was a real experience in foods but it was also a lot of fun. Hopefully I'll see you in the summer. Good luck in the future.
Love
Jamie

JEREMY

CHESTER
WHAT CAN I SAY? WE'VE HAD SOME GOOD TIMES AND MANY MEMORIES: INCREDIBLE TWIG, CHINESE AVIATOR, NIGHT-SKATING, AND THE FIRST TIME WE EVER LIFTED WEIGHTS. WE ARE GOING TO REMAIN GOOD FRIENDS IN THE FUTURE BUT DON'T GET TOO PUNK. GOOD LUCK THROUGH SPORTS AND LIFE
YOUR FRIEND ALWAYS
(CHESTER)

Flat flag sides

A rancher's brand, a Stetson hat, a pair of worn cowboy boots; symbols of a people with a lifestyle of their own. We have shared these traditions with our forefathers, mingling them with the customs of our own century. May we learn from our experiences, secure our friendships, and look forward toward a new beginning.

In reviewing these past months, each of us remembers special occasions and caring friends. I, personally, would like to thank those who contributed their time to make this annual a memorable one, not only for myself, but for every Cougar here at Capistrano Valley.

So, let us keep in our souls the colors of the prairie and the voices of the woodlands, remembering in our hearts the land where the West begins . . .

Jeremy,
Its been a great year, actually 4 years, especially in football. Congradulations to the lightest defensive tackle to win CIF. I was wondering if you were ever going to shave willy. I still have hope for you becomeing unpunk. Good luck in the future
Your friend always Tommy Waterfield

Jeremy,
I don't care if
you want a novel
or not, because I have
a lot to say! We've had
great times together, and you've
been such a good friend. There are times
when we don't even see each other or talk
for long periods of time, but I still feel the same
way about you. Sometimes I would get mad at
you, because you seemed to not care that I
was your friend, but I know that is when you are just in a
weird mood. Anyway I've always felt special about you,
could say I love you. I know it is mushy but that is
you, and since it is are last year I guess I have to
Anyway, all never forget those spazie dances,
or I'll never forget the beach days, or the
test, or the time you poured water from the ice
stool, or are talks. you better keep in
to go visit you myself.
et, & remain happy — 31
always...
Powell

Jeremy,
I know it was great knowing me. You're just lucky I guess. It was great in football. I think everyone should thank us because without us we wouldn't have won C.I.F. Good luck in the Future

Jeremy,
I KNOW YOU'RE PAYING ME TO WRITE (GOOD) THINGS IN YOUR YEAR BOOK, BUT, I FIND IT HARD TO DO!
I THINK YOU'RE THE BIGGEST B.S.ER ON THIS SIDE OF THE ROCKIES. LIKE THE STAIN ON YOUR CAR SEAT or "MW 2hr B.J."? I THINK YOU'R A GOOD BARTENDER, HOWEVER YOU SUCK WHEN YOUR MIND IS PREOCCUPIED WITH THE GRIM THAUGHTS OF BEAVER. MABEY THIS SUMMER YOU CAN LOOSE YOUR VIRGINITY.
GET LAID ALWAYS,
YOUR SUPERIOR FRIEND,
TROY WATSON

Jeremy!

Boy you are such a stud!
I wish I could have been a
big football player too. But I
guess us whimps just aren't as
lucky! I listen to my music. But I do
get down to some groups

Merry Christmas

Jeremy,

I'm really glad that I've been able to be one of your friends. You're a super cool guy and you better stay that way. I hope that I'll be able to see some this summer, maybe you can come riding the cycles with me and watch me clash my horse out. Have a super summer.

Your friend always,
